PROFESSIONAL SUMMARY

Growth Marketing Strategist and Performance Lead with 6+ years scaling paid media across Meta, Google Ads, TikTok, Snapchat and LinkedIn for B2B and B2C brands in Egypt and the GCC. Managed \$250K+ in ad spend across 1,000+ campaigns and generated 100K+ leads for industrial suppliers, real estate, furniture and e-commerce brands. I build full-funnel systems end to end, from buyer personas and competitor intelligence to creative direction and GTM / GA4 / CAPI tracking, so ad spend turns into qualified pipeline that sales can close.
